# JESUS! JESUS!

Dear Readers,

Today, I finally sung a few Christmas carols and songs! It's the middle of December! I **usually** have on Christmas music; decorate our house, and get ready to bake Christmas cookies. **Usually**, I have my Christmas card list ready and by now... I have sipped at least three individual cups of Egg Nog served in my old-fashioned crystal punch cups. Well, I just looked at the six of them stacked together on my large antique wooden buffet. I guess I'll get them washed and ready for Christmas.

One good thing is, I am very busy working on our Christmas outreach ministry projects with Ramelle Lee and Linda Stafford. Our ministry is called, **Treasures from Heaven Ministries**. All year long we are extremely busy making, designing and purchasing every kind of item to help others locally and across America. We give-away various things such as Bibles, toys, candy bags, hygiene products, clothing, diapers, books, flowers, inspirational cds and more to bring hope and love to the homeless, rescue and outreach ministries, teen and youth homes, schools, churches, jails, prisons and other places. Every month we have projects for various reasons and occasions.

When I consider all of the needs and the hurting...it is truly mind-blowing. In this world, we need **JESUS! JESUS!** We cannot make it without Him every minute and second of the day. It is impossible to survive without **JESUS!** We are living in desperate times...like never-ever before! People are hurting all around us. See, even I am hurting because of one thing and then another. If it isn't something directly going wrong or breaking down in my life, everybody else has issues: my friends, family, neighbors, church folks, and everybody else is...**IN TROUBLE, SICK, DYING...SUFFERING!**

Anyway, I have been really trying to get my house ready for Christmas and the holidays. I decided to throw out a lot of stuff that should have been tossed out long ago. So, I decided to get my husband, Simmie, involved to help me. We were working in the dining room and that kept us busy. See, I am sentimental and...he's not. I want to save all kinds of things like cards from birthdays, our anniversaries, get-well wishes and so on. I even decided to get rid of some pine-scented candles I never used.

When Simmie was moving things off our beautiful buffet server, he put a teeny tiny book on the dining room table with a few other things. WOW! "What a tiny book," I said and showed him. I laughed and he just nodded his head.

The tiny book was in a teeny plastic package. I read the title, *WE ALL NEED HOPE*. I looked at the collage of black and white photos placed around the title. I saw an elderly lady with many wrinkles on her face and hands...she was weeping...her wrinkled hands covered her face. Then I saw a cemetery with rolls and rolls of white headstones. I saw a photo of a young man looking much disrupted at his watch. There was a young lady holding a baby...A man sitting on the edge of a cliff with the dark evening orange sky surrounding him. I saw a child's hands...soldiers marching...and there was a woman showing a lot of emotion using her hands to display her anger and confusion. I understood their feelings and desperation. They all need hope.

So, I opened that tiny book, about as tall as my thumb and as wide as a cracker, and read:

#### **WE ALL NEED HOPE**

Life can be hard. Sometimes we have to endure a bad day. Other times, we face unrelenting heartache. No amount of tears can bring it to the end. Most of us face difficult times more often than we would like. Yet, as difficult as life can be, hope guides and gets us and gets us through the storms in life. Take away hope, and even the small things crush us.

#### **THE BIG PICTURE**

As we look at the big picture in our world, we see hopeless situations. The news regularly bombards us with stories of the harmful and evil situations people endure. Abuse, divorce, murder, war, rape, and natural disasters torment our lives and shred our broken world. Beyond the unexpected disasters that make the news, we're surrounded by the daily actions of others who never get headlines---but hurt us deeply. We begin to wonder how God can allow bad things to happen to good people.

Is this how God intended for us to live? Is this the kind of life He created us for?

Thankfully the answer is, no.

-Judson Poling, Editor ([www.ccambiareources.com](http://www.ccambiareources.com))

The authors of the book, Greg Buick and Deborah Christensen, continue with the story about God's creation in Genesis and His plans in the beginning. They share Biblical truths about the fall of mankind because of their disobedient to God's commands and allowing sin to enter into their lives and our world. They, Greg and Deborah, cover many Biblical principles and God's Salvation plan to redeem mankind from sin and destruction. IT IS A WORTHY READ.

However, I want to do a shortcut and say that we had better know why JESUS was born! We must know that God so loves this rotten infested sin-filled world! John 3:16-18 states:

### John 3:16-18 Living Bible

*<sup>16</sup> For God loved the world so much that he gave his only Son<sup>who</sup> so that anyone who believes in him shall not perish but have eternal life. <sup>17</sup> God did not send his Son into the world to condemn it, but to save it.*

*<sup>18</sup> "There is no eternal doom awaiting those who trust him to save them. But those who don't trust him have already been tried and condemned for not believing in the only Son of God."*

See, in the mess we are living in...remember, Jesus is ALWAYS WITH US:

*"and lo, I am with you always [remaining with you perpetually – regardless of circumstance, and on every occasion], even to the end of the age." St. Matthews 28:20 (The Amplified Bible)*

THIS CHRISTMAS and now...to forever...We must cry out: JESUS! JESUS! Come to Him for He said:

*"... in Me you may have [perfect] peace. In the world you have tribulation and distress and suffering, but be courageous [be confident, be undaunted, be filled with joy]; I have overcome the world." [My conquest is accomplished, My victory abiding.]" John 16:33b*

**JESUS! JESUS! HELP US, LORD! Thank You, Lord!**

### **Jude 24-25 Worldwide English (New Testament)**

***24 God can keep you from doing anything wrong. He can bring you to the place where He is great and you will be all good. You will be very happy.***

***25 He is the only God. And he is our Saviour through our Lord Jesus Christ. He is great! He is wonderful! He has power! He has the right to rule! He was like that before time began! He is like that now! And he will be like that for ever. Yes, He will!***

*For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.*

**Isaiah 7:14**

*Therefore the Lord himself will give you a sign. Behold, the virgin shall conceive and bear a son, and shall call his name Immanuel.*

**Colossians 1:15-17**

*He is the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him. And he is before all things, and in him all things hold together.*

**Hebrews 1:3**

*He is the radiance of the glory of God and the exact imprint of his nature, and he upholds the universe by the word of his power. After making purification for sins, he sat down at the right hand of the Majesty on high.*

# Stay in Touch with Jesus

By Ramelle T. Lee © 2021

*“Give your burdens to the LORD, and he will take care of you. He will not permit the godly to slip and fall (Psalm 55:22 NLT).*

With Jesus you win. This is good news! No matter what you are facing today, God loves and cares about you so much that He sent His only begotten son, Jesus Christ, to carry your weight and mine on His shoulders.

God is only a breath away. Release your burdens and cares to Jesus and let Him show you the right course of action.

This Christmas season, and every day, let us look to God to help us meet the challenges ahead. Be thankful to God for bringing us through the last eleven months.

Looking back over 2021, give God the praise for seeing you through the horrific challenges that all of us have had to face. *“Praise God, we SURVIVED!”*

It’s unbelievable; everyone you talk to is giving you a run-down of what they’re dealing with. Your emotions are up and down like a roller coaster and you want to get off the rough ride, but you have to stay the course. Life is TOUGH.

Do you see any hope in front of you? Yes, there’s hope. *“Jesus is your Hope.”* He will see you through the rough times and give you the ability to face the giants in your life.

Never give up and walk away in disappointment. You are a conqueror in Jesus Christ and not defeated. Trust Jesus to help carry your load. Your job is to ask God to help you and follow His will.

Yes, every day brings challenges into your life. Stay in touch with Jesus in prayer and watch Him give you the victory!

Minister Kizzy Staten-Gray

**AMEN**

**GLORY TO GOD!**

God, I ask that You heal and restore every hurting heart, stressed out mind, broken down body and out of control life. In Jesus' Name, Amen.

## Luke 1: 26 -56 -The Birth of Jesus

**We live because God made the impossible...POSSIBLE!**

**By Michele Barnes**

I am so thankful for John 1:11-13. It is a reminder, we are God's children. Also, it reminds us that Jesus "has all divine powers." (John 10-17-18) So we can believe in the power of prayer! Together, let's bow our heads and pray!

*Heavenly Father,*

*Thank You for sacrificing your only Begotten Son Jesus so that He may become my Lord and Savior. Oh, how I thank You! I thank You for Your grace and mercy!*

*Father, I thank You for Your Word that gives the world an opportunity to repent, be healed, and live an everlasting life. It's a "gift" of life that only You can give. I thank*

*you!*

*I plead the Blood of Jesus over the many wounded hearts' of mothers, fathers, sisters, brothers, friends, and communities! Lord, bless the children! (Psalm 127:3) I pray your face will shine upon our children so they may grow to live a righteous life.*

*May the "joy bells" of this Christmas ring out! For You are God and worthy to be praised! For this and all things we pray, in Jesus' name. Amen.*

***Thank You, Jesus!***

# *What a Sign!*

By Doris Homan

All around the world, people of all cultures love to celebrate Christmas. Some celebrate it as the birth of Jesus Christ; others celebrate it with Santa Claus and gift-giving.

God is beautiful, creative and AWE-inspiring in everything He does. Throughout the Bible God has shown His power by doing things BIG. He's done the extraordinary to show us that it can ONLY be HIM who made it happen: parting the Red Sea, the sun stood still for about a day while Israel defeated their enemies (Joshua 10:13); and what about Abraham and Sarah conceiving in their 90's - wow, ever hear of anyone that age having a baby? And the greatest of all wonders that we celebrate at Christmas time....the virgin birth.

Basically God has been showing the world that He likes to do the impossible (what

we view as the impossible)...in order to showcase His greatness and power. He has taken ordinary people and circumstances and has done miraculous exploits.

Therefore the LORD Himself shall give you a sign: Behold, the virgin shall conceive and bear a Son, and shall call His name Immanuel. (Isaiah 7:14)

WHAT A GOD! Get plugged in with other like-minded believers, read His Word, talk with Him. He's a God of WONDER!

And, best of all, He wants you to know Him intimately and wants to do great things in and through your life. You will spend your time here on earth merely scratching the surface of getting to know Him ... but the best is yet to come when He takes us to the heavenly home He is preparing for us.

Jesus said, *"I go to prepare a place for you and if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also"* (John 14:3).

We will spend eternity worshipping Him and learning of His wonder and basking in His goodness. Let this Christmas season be one of wonder and discovery; determine to spend it with a different outlook....with the focus on Him. Pursue knowing Him...it's TRANSFORMATIONAL!

Thank You.

## **THE WOMAN AT THE WELL**

### *Jesus had business at the well*

I imagine that He spied her in the distance with a knowing smile on the corner of His mouth. She was there! Although He already knew she would be. He had made this appointment for her long ago. I also imagine she was hot and weary with aching arms and sore shoulders from carrying heavy water jugs. She was probably not looking for someone to come and challenge her with questions and profound truths. But Jesus did challenge her with words of undeniable truth, and her whole world changed. From a disreputable outcast Samaritan woman to an evangelist for Christ! This was a woman who would never have spoken to a Jewish man under such circumstances, much less followed one. But Jesus

was no ordinary Jew. He was the King of the Jews... the long awaited Messiah! She told everyone with unfailing zeal about the man at the well who knew her whole life story. Jesus changed her to bring change to others. Instead of a reputation, He gave her a mantle, and she wore it well! She became a legendary evangelist for the Lord.

This Christmas may we share the same high-spirited zeal of the woman at the well. Put down the heavy load that you're carrying and take up your God given mantle. Take a chance to talk to someone who is weary at their own well... someone longing for fresher water to drink. Don't overlook anyone because everyone needs Jesus! If God brings you to speak to them, He also brings His anointing and the words you need. The best Christmas Gift we can give is Jesus!

# MR. BRUCE TOUSSAINT

1946-December 10, 2021

This year, 2021, three very dear and special people in my life, were born in 1946 and turned 75 years old! My husband, Mr. Simmie Lee Burnside, Jr. turned 75 years old on July 20<sup>th</sup>. On October 23<sup>rd</sup>, Mrs. Carolyn Toussaint was also blessed to mark this Diamond Anniversary. Now, we are so excited that Mr. Bruce Toussaint has joined this great celebration, too.

Bruce is the devoted husband of Carolyn Toussaint. They have been married since 1968 and have two adult children, Brian and Heather, who are also married. So, Bruce and Carolyn are blessed to be grandparents, and now, great-grandparents. They have a loving and caring family who are faithfully involved in serving the Lord.

In our world today, there are so many changes and difficult people to be around. However, Bruce is a gentleman, honest, loyal, and concerned about his wife, family and friends. He is understanding, full of wisdom, kind, tenderhearted, sincere, and a man of dignity. He has exhibited unmovable faith in troubled times. You can depend on Bruce to fervently pray for you. He is always willing to reach out to others to offer them his support, encouragement and wise counsel. His smile is warm and his laughter brings healing and joy.

Bruce was a leader in corporate America. He worked hard and was very productive during his years of employment. He was a team player on and off his job. Bruce work was extensive which caused him to work in the USA and across Canada. During those working and traveling years, he was blessed to have the prayers and encouragement of his beloved wife, Carolyn. They are an example of what a loving husband and wife relationship should be like. They continue to impress their family and friends by their godly life. Bruce and Carolyn are dedicated to fully serving the Lord.

For over 30 years, Bruce and Carolyn have been dear and precious friends to Simmie and me. Our friendship started at a Christian writer's conference that I attended in Illinois. In my October 2021 issue of The Lamp Newsletter International, I gave some background on our friendship when I honored Carolyn's birthday. Since that time to now, our relationship has grown stronger and more loving.

We thank God for Bruce and Carolyn in so many ways. When our heartaches, deaths, sicknesses, and times of needing great prayers come...we band together. We are knitted together...it is a strong bond. Our lives are fuller because of the blessings of the Lord, which He has given us. We love to hug, talk, share our experiences and stand strong in the Lord. What an amazing friendship we have all of these years!

Bruce and Carolyn live in Florida...and we live here in Michigan. But nothing separates our love and concerns for each other.

**GOD BLESS YOU, DEAR BRUCE!**

Mr. Terry Whitsitt was a masterful website and video designer. God used him mightily to create numerous technical presentations to enhance the ministries and productions of Christians across the United States, Canada and other locations. His work was unique!

Terry loved the Lord with all of his heart. He faithfully shared and spread the gospel around the world with his productions. Terry spent hours working on new projects to bring hope and salvation to the world.

Through the years, he cared about his family, the church, and his clients. You could reach him by phone or emails. He wanted to serve his clients.

However, Terry's heart was totally in love with his beautiful wife, Linda. She preceded him in death over ten years ago. Linda and Terry had a special marriage filled with love and respect for each other. Their daughter, Kimberly, preceded them in 2018. The Whitsitt's son, Aj Blunt (his wife, Amanda) and the grandchildren cherishes his memory.

God blessed me to discover Terry on the internet. We connected and were friends for decades. **Marcus Lamb**

## **OFFICIAL STATEMENT:**

It is with a heavy heart that we announce that Marcus D. Lamb, Founder, President, and CEO of Daystar Television Network, went home to be with his Heavenly Father this morning. He leaves behind a legacy of fiercely loving the Lord, all the people of the world, and most of all his family.

As we remember this Great General of the Faith, let us never forget his devotion to the Great Commission. His heart's passion was that all may come to know Jesus as Lord and Savior and experience the transformational power of the Holy Spirit.

It is our prayer that his life has inspired you to dare to answer God's call on your life, to believe that with God truly anything is possible, and that if you let God write your adventure, you'll touch the world. The family asks at this time that their privacy be respected as they grieve this difficult loss, and they wish to express their deep love and gratitude for all those who prayed during Marcus's health battle. Continue to lift them up in prayer in the days ahead.

Please join with the rest of the Daystar family as we take comfort in knowing that Marcus was greeted into Heaven with these words from the Father, "Well done, thy good and faithful servant." And we look forward with great longing for that glorious day when we will see him face to face again in eternity
