#### **CAN'T SMILE! I CAN'T BREATHE!**

Dear Readers,

It is hard to write my feelings to express how horrible I feel about what happened on Memorial Day, May 25, 2020....in Minnesota. It is painful and heartbreaking to recall what I saw on Facebook...I COULD NOT BELIEVE IT! I just couldn't believe that a black man was lying in the street pinned down under the knee of a white police officer!

We soon learned that the black man's name was, MR. GEORGE FLOYD. He said, *"I CAN'T BREATHE...I CAN'T BREATHE..."* I was in shock! The white police officer didn't get off of Mr. Floyd's neck...The officer just smiled and continued to press down on Mr. Floyd's neck...until he cried out to his mother, *" Mama! Mama!"* 

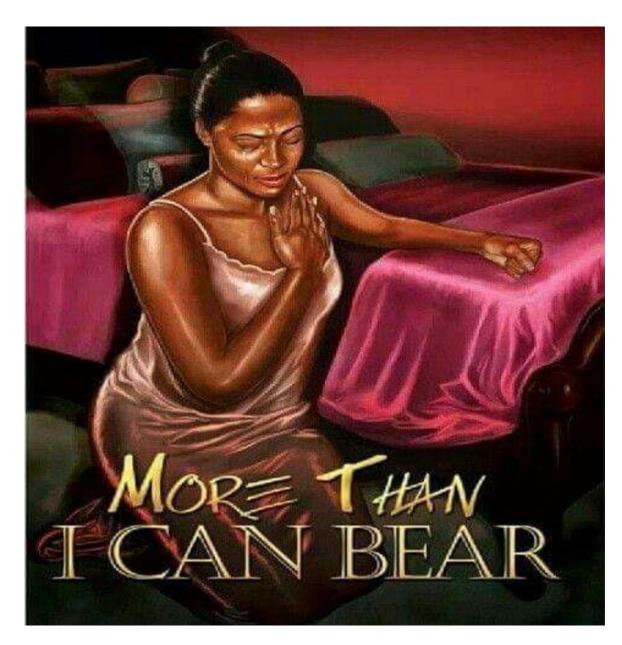

#### I CAN'T SMILE!

And this is where I want to say something! I AM ANGRY! I AM UPSET! I AM READY TO PROTEST, MARCH in the STREETS and EVEN.....THROW BRICKS! I see the riots! I hear the shouting voices! I UNDERSTAND! I really do.

Look at my photo at the top of the page! I removed my smile! I can't smile! I refuse to just sit with a smile on my face when...OUR WORLD MUST CHANGE! Racism, bitterness, injustice, and every form of evilness have to go!

#### LAWS MUST CHANGE!

#### **UNFAIR and UNLAWFUL ACTS HAS TO GO!**

How much more do black people have to go through by the hanging ropes, hands, knees, guns, laws and prejudice of white racists? You know, this time...we all saw and heard evilness right in front of our eyes...in our homes...We have been locked down because of the COVID-19 and GOD ALLOWED the WHOLE WORLD to see what has been hidden for decades and centuries in the southern states and for years down alleys, ghettoes or inner-city streets...black neighborhoods, and in white suburban neighborhoods that don't want black families to move into them. Everybody saw the killing and cold-blooded murder of Mr. George Floyd. We felt the hellish torment of not breathing for 8 minutes and 46 seconds. We saw and heard something so inhumane and SICK against a black man named, MR. GEORGE FLOYD. Things changed because people of every race, culture, age and social-economic level...REFUSED to play blind!

#### GO AHEAD...PROTEST!

You know, I haven't been upset by the protests and rioting. I don't approve of killings and lootings. However, I UNDERSTAND! I was an active and a concerned person of the civil unrest across the United States in the 1960's...I remember the peaceful movement of Dr. Martin Luther King, AND the militant movement and fiery speeches from Malcolm X, H. Rapp Brown, Angela Davis and others. I am deeply rooted in and a part of both histories!

I accept the rage and anger of people here in America and in countries around the world! Reverend Jesse Jackson, Civil Rights Leader and founder and president of the Rainbow PUSH Coalition, slogan's and the rallying cry for decades has been, "KEEP HOPE ALIVE!" We must keep hope alive for change and justice!

#### A NEW BREED! A NEW DAY!

See, we are living in a new day and time. Everything has changed because we have taken so many CRAZY things for so long. We watch News reports as if it is nothing. We have gotten to the point where we watch brutality and insane people commit unbelievable acts on television while we eat breakfast, feed the baby and talk on the phone! Are we insensitive to the beatings, bloodsheds, massive school shootings and violence in our neighborhood, cities, states, nation, and world?

I must say...NO! Not all of us! There is a new breed that won't stand for injustice! Wake-UP! There is a uniting of whites, blacks, and every color of people who will leave the quarters of their home and pour out into their COVID-19 infested streets, allies, roadsides, country sides, major avenues and declare...**"BLACK LIVES MATTER!"** 

#### THE TRUTH IS...

There is a NEW ARISING of young people who are standing side by side in this fight and battle. Deep in my spirit I strongly feel that they will examine and challenge everything that is established to make necessary and needed changes.

They are not going to put up with a system that IS NOT working. They are not going to compromise with traditions that have not been fair for others. They are not willing to tolerate what is broken.

God brought to my mind the words of The Pledge of Allegiance in America. We say it, but we cannot just say it if it is not being enforced for all. It must function and operate or...this generation will keep marching, protesting, rioting, looting, and fighting...until CHANGE COMES!

"I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

**Every word and part of this pledge must be activated and active for everyone in this land.** Yes...*"one nation under God, indivisible, with liberty and justice for all."* 

Maybe we need to have a new law stating that every American in every school, on every job, in all churches, and at every ball game say The Pledge of Allegiance to the flag at all gatherings! This might get implanted in our minds and beings to do right.

#### WE NEED A QUICK FIX and LASTING HOPE!

I'm going to make it easy on you, we need THE HOLY BIBLE and THE TEN COMMANDMENTS...placed back where it was taken down! Get the Bible and Commandments back in the schools, courthouses, courtrooms, and all public places along with private places, too. **If hearts are not right...NOTHING WILL GO RIGHT!** 

So, STAND UP CHURCH. GET TOGETHER! GET ON YOUR KNEES and PRAY!

**JAMES 5:16** 

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

## What is happening in America?

#### **By Doris Homan**

As the child's hymn goes …"Red and Yellow, Black and White, they are precious in His sight, Jesus loves all the children of the world." Thank goodness for color. How boring it would be if we were all the same. God created us different and unique, colors and shades of colors, beautiful and treasured by Him. To say you see no difference is lying, to appreciate and celebrate the differences is divine.

Anger, hatred, bitterness, abuse of power, destruction of property, injustice, innocent suffering.... Two wrongs don't make things right. What is happening in America? The melting pot. The land of the free. The land that bids every man, woman and child to come and find refuge, a home with opportunities. The land where one can find life, liberty and the pursuit of happiness.

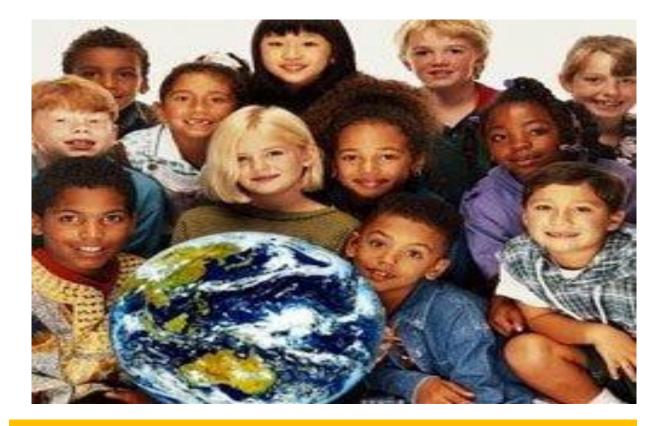

Injustice and violence is a tragedy. What must God think of the human race and how it is acting and reacting. To the One who created all men equal and who bids us to love one another and treat one another as we would want to be treated. This article is not condoning one side over the other. There are wrongs and injustice on all sides in this live drama.

A nation divided, at war from within. Jesus said every kingdom, city or house divided cannot stand but is brought to desolation. (Matthew 12:25) Is it up to our political leaders to make the changes necessary to bring about peace? Is it up to our religious leaders to teach right from wrong? I challenge you, that it is up to each individual to bring about change with his/her neighbor.

A message from Ms. Sandra Hickman Australian Ministry Leader and Staff writer...

"In the dark tragic death of Mr. George Floyd, let us be the example of Christ-likeness to ALL the children of this world. Teach them to be the light." "... let us say NO to racial discrimination!"

#### THE KALEIDOSCOPE WORLD OF GOD

#### .... I His Colours Of Love

God created us to be His magnificent kaleidoscope of color in this world. Regardless of skin tone we are all God-colored, and equally beautiful to Him. Look at the rainbow, the inspiration of colors! The kaleidoscope is surely God's example of how beautiful it is when colors come together in unison. The tiny pieces of colored glass or paper reflect changing patterns as the scope is rotated. The patterns are revealed without compétition from each color striving for its place. All are beautiful and inclusive inside the kaleidoscope. As Christians we believe that Jesus died once and for all. ALL means inclusive. Sadly, the Creator of the rainbow is put back on the cross by the sin of racial prejudice through man's refusal to believe the true purpose of John 3:16. If Jesus died only for the Jews, we gentiles, of all colors, would be out in the cold frosty air ... or should I say the broiling heat of hell? If only all people could grasp this truth!

We are many nations, each colored by culture and looks. Consider the white skin, blonde hair and blue eyes of Scandinavia, in stark contrast to the blackest skin and tight black curls of Sudanese Africans. And wasn't Jesus Himself a Jew? HE connected the entire human race, created equal by one God, under one heaven. Yet the world has made pigeon holes labelled with skin tones, religions and cultures. Of course there are many well-meaning people of all cultures and belief systems.

For Christians, the point of difference comes when the ventricles of your spiritual heart pumps with the blood of Jesus blotting out race, colour and culture! We need the powerful and mighty Blood of Jesus in our lives. We cannot change our hearts. Only Jesus' healing, delivering, redeeming and restoring Blood can make us whole. It is with His Blood that we can love and extend true peace for all mankind.

We must stand to proclaim and pray-out-loud about the injustice we recently witnessed as we watched the brutal murder of an innocent man, for no reason other than the colour of his skin. The whole world has been left in a state of anarchy and grieving. We have all cried bitter tears. Beneath its skin the world bleeds one coloured blood... RED! The redeeming red blood of Jesus rendered all men equal! God knows, I hate racial prejudice! On the world stage cultures will continue to straddle the fence of difference, but they must cease to be a shameful obstacle. Because God's love has adopted us, we know His love is relentless in its pursuit to adopt the whole world. To conquer and drive out racism, terrorism and the ugliest hatred imaginable.

I live in a kaleidoscope household with my daughter, her husband and my grandchildren. We are a mix of white Australian with indigenous black heritage, black Zambian/American, French,

Irish, Mauritian, plus other generational bloodlines. Our family belongs to Jesus, His Word is our cultural blueprint. I want my little Australian/African grandson to grow up in peace and love. Judah is six years old. His young eyes have noticed the televised riots over George Floyd's death. He understands the wrongness, but he didn't know what "racial prejudice" meant. He has led a sheltered life here. Last night I sat with him and watched his eyes grow wide as I explained how sometimes people don't accept others with different coloured skin. We held our arms together to compare the color difference. We talked about how black his daddy's skin is, and the whiteness of his mummy's skin, how together they produced a beautiful boy with brown skin.... how he attends a Christian school with students of all colors. We spoke about how Jesus loves everyone!

Love will win, because God is Love!

#### LOVE already won the victory at the cross of Calvary!

*Love* singlehandedly conquered hatred, racial divide, apartheid, cultural barriers and all hell-conceived lies about... *"Who God loves best?"* Love conquered the devil and his temporary kingdom. Love is the Soldier of heaven galloping on a white horse with "Faithful and True" emblazoned on his thigh! Love will be a beautiful sight to those waiting with their hearts open to receive His promise. But Love will be a dreadful and

fearful vision to those who have been adopted by Hate and have no place for the one true Love! Let us, as the appointed lights of Jesus in this world, be His disciples winning people for Christ by wearing 'His Colors' displaying the universal kaleidoscope of God's Love.

"As the Father loved Me, I also have loved you; abide in My love ~ And above all things have fervent love for one another, for love will cover a multitude of sins ~ My command is this: For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." Jesus ~ John 15:9 1 Peter 4:8 John 3:16 NKJV

#### MIDLAND COUNTY FLOOD RELIEF UPDATE REPORT From Playwright Vanessa Lynn of Detroit, Michigan

Not one time, but EVERY TIME I organize a drive, people flood it with their generosity.

Firstly, the tangible donations were dropped off at Sanford Elementary School which is a distribution center. They were extremely grateful and literally had just ran out of toiletry items! I want to thank Ursula Ace, Cheryl Lynn Pope, Laina Marie, Natasha Anée, THE CALLED AND READY WRITERS, Treasures from Heaven Ministries Wanda Burnside, Ramelle Lee, and Linda Stafford (Avon Lady) for your tangible donations of items!

Secondly, I assessed some needs when I arrived and decided to donate to North Midland Family Center who was in desperate need of all sizes of baby diapers. So I went to the local Walmart and got 10 of the huge boxes of diapers, pull-ups and wipes with the monetary donations people sent. From what was left over, I gave the remaining portion to the Salvation Army's Midland relief fund. As per usual, they were very visible in the area. Thank you to my daughter Jasmine, Crystal Bell, Tamilikia Foster, Yvette Wilburn, Clarissa Griswold, Jaazmine Parker, Edward Dean, Tia Singleton, Lora Modock-Butts, Danetta Barney, Stacey Shannon Johnson, Sheila Finn, Carmen Evans, and Lavish Foster for your monetary contributions! If I have forgotten anyone please charge it to my head and I will make the correction.

The situation now is one of rebuilding. It was crazy. It looks like a tornado touched down in many areas. I decided not to take any pictures or videos of people's homes. It didn't feel right. So glad I didn't! People in some group chats were saying how folks are driving by like tourist attractions and posting pictures like its entertainment when they've lost everything. Unfortunately, now they are dealing with looting, as people's items are being stolen and scavenged and there is a ton of traffic. For anyone that would like to help, my heavy suggestion is monetary donations. I suggest the Salvation Army which has a Midland Fund. Assistance is coming in from all over. I am connected with a few organizations up there and will check in with them once a week for the next few weeks to see if any tangible needs arise. In the meantime, please don't visit. Traffic, looting, construction, road blocks and no cell phone service is an issue, (I got lost for an hour and nothing I could do with zero service). A few people's animals have been run over and property further damaged by the excess traffic!

Thank you all once again for reminding us what humanity looks like. The spirit of giving was definitely in the air, as several groups from as far away as Mississippi were there to help. Keep them in your prayers. Some people are out of work from Covid and never received unemployment and now they have lost everything. Several women are also ready to give birth and have to struggle with housing and purchasing baby items that were lost. It's really a tragic situation but the people of Midland County and Michigan are super resilient!

Playwright Vanessa Lynn made sure that all of these items were given to the residence

Jordan Edwards lives in Los Angeles, California, where he previously attended John C. Fremont High School. He is a 2020 graduate, graduating with high honors, as he maintained a high honor roll all 4 years. He was a member of the basketball JV/Varsity team for two years, Track and Field one year, GAP Program (Garden Apprentice Program), JK Living Workout Foundation, BSU (Black Student Union), and YouTube Club. He also had an internship in his senior year with the Department of Water and Power as a clerk. He also obtained an academic achievement award from UCLA with a certification as a Microsoft office specialist, for all 4 years of high school. He has been accepted at 15 universities. For the first two years Jordan will be attending Trade Tech College in automotive related technology major. Afterward he will be, deciding on a university of his choice. He is the grandson of Author Hertistine Washington.

Jordan declares: "Coming into the end of my senior year was very frustrating, not just for myself but for all the seniors out there. Wanting to have our prom, grad night and full graduation was one of the most important memories, we not only worked hard for, but dreamed of.

Nevertheless, God had a different plan-- a plan to become history makers. We may not have the prom, grand night, or graduation we wanted, but we definitely are stronger than most. We are history makers, which no one can take from us. God works in mysterious ways, and His ways are higher than ours. I wish to congratulate every hard working 2020 senior because making it through 12 years of school is a huge accomplishment.

I don't know what's in store for the future, but I will tell you, God will make a way where you don't see a way, and you will be resilient in whatever field you choose to go in. Whether an entrepreneur, carpenter, engineer, etc., you will have the edge. You will always be remembered, and the best Class of 2020 is in your hands... now God."

On Father's Day, Sunday, June 21, 2020, the Lord tremendously blessed my radio outreach ministry RESTORE! RESTORE!, in a very special way. Author Ramelle T. Lee's pastor, Reverend Dr. Randolph Thomas of Greater Bethlehem Missionary Baptist Church, 2969 South Fort Street in Southwest Detroit was our featured speaker that evening. His great message warmed our hearts as Reverend. Thomas prolifically spoke to the radio listeners and staff of The Tribe Family Channel. Beverly Black Johnson is the CEO and Founder of this broadcasting channel and The Gumbo for the Soul Company.

Reverend Thomas spoke powerfully, boldly and tenderly as a pastor and loving father. He outlined the roles of a father based upon the specific Words of the Gospel as found in Psalm 23 known as The Shepherd's Psalm. Reverend Thomas laid a solid foundation for men to build godly characteristics as a dedicated and faithful father. He spoke passionately and tenderly to the listeners around the world. His firm counsel and clear instructions were greatly received. Reverend Thomas talked with assurance because he has 50 years of marriage experience, decades as a father and grandfather. He is a highly educated man in the gospel and over 50 years of ministry which renders his highest knowledge and understanding in the Holy Bible.

## Civil Unrest By Ramelle T. Lee

This picture is a familiar sight in our world today. You can't turn on the evening news or listen to the radio without hearing reports of violence on the streets of America and around the world.

Although we continue to have discussions about the subject of "Civil Unrest," nothing seems to stop the madness. No matter how many times we take a stand through non-violent protest, we still end up of having people that gather specifically to invade and disrupt the assembly of the people who want to see things change for the better.

Throughout our history, we have all seen and felt the effects of not being treated equally for one reason or another. However, being an African American, it seems that there are continuous levels of justice and injustice for people of color. This is not something new. Especially for young black men in America. The disparity is so evident in the way many of our young men are treated. There is still much stereotyping seen when it comes to achieving an economic and educational level that will give them the ability to compete in the marketplace.

What is the solution to end the violence and level the plain to realize that, "We the People" as citizens of the United States have rights to live in harmony? Sure, we all desire to live in a safer and peaceful environment. How do we envelope change and move towards solutions that will change our lives for the better?

God has given us the solution in the Bible. When we go to God in prayer and ask Him to help us, He will RESTORE all that is broken.

Let us embrace and follow this scripture for our life.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; Then will I hear from heaven, and will forgive their sin, and will heal their land." 2 Chronicles 7:14 KJV Do you need help during this time of the pandemic? If you live in the 13<sup>th</sup> congressional district in Detroit, Michigan, please read the following letter.

#### The World has Changed

In just a few short months, the world has changed. We are living in unprecedented times (unprecedented to us, that is. Who could have imagined, at the beginning of 2020, that two major events could impact the world in a way that shifted the focus in terms of national and world news? Firstly, the devastating pandemic caused by an "unseen enemy" (COVID-19) attacking millions, worldwide – on a scale beyond belief and comprehension, as though several natural disasters (earthquakes, hurricanes, tsunamis) were all rolled into one. Secondly, the grievous and heartbreaking murder of George Floyd – by a "seen enemy," a police officer who should have upheld the law, but instead broke it, revealing yet another incidence of racial brutality within the police force. The evidence of such crime was, this time, witnessed by the world, thanks to the technology we have today. And the world joined the outcry against racial injustice.

One word that stands out to me, regarding both major world events, is **BREATH... the need to be able to BREATHE.** When a baby is born, the first and most precious thing we all look for, and listen for, is to hear the baby cry, all because that first cry or sound of their voice, means the baby is alive ... they have BREATH. When a loved one dies, when we realise they have stopped breathing, it leaves us heartbroken and a whole host of emotions come into play. Life is precious and brings joy, love and communication. Death stings, deeply.

When God made Adam, the Bible says that He "breathed into His nostrils the breath of life, and man became a living soul" (Genesis 2:7). Without breath, there is no life. EVERY soul is precious in God's sight. It is extremely sad that so much injustice has taken place towards black people, and to any people groups who have suffered at the hands of the wicked. It is

sad that, after many decades, racial injustice and discrimination continues to exist, both overt and covert. There continues to be a cry today for **radical change**. This cry has now become **louder**. It has become **worldwide**. It is a cry that will not go away. There is a need for understanding and change. Man can legislate, but

real change begins in the heart. For righteousness to prevail, hearts need to be changed. God values every human being. In every human being is the breath of life – given by God.

#### Let Us Pray

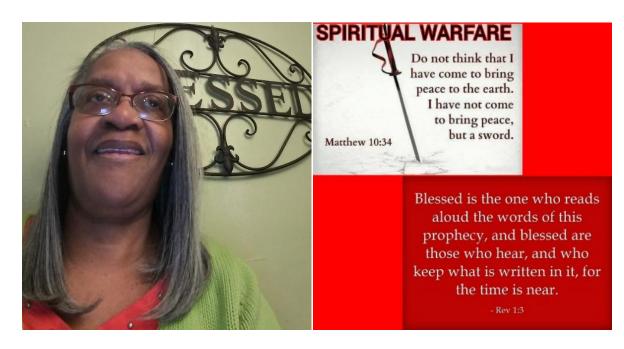

As we all know, when breath is blocked, communication gets cut off. Devastating situations can cause the soul to go silent in relation to God. For many, when all kinds of evil and injustice prevails, hopes are dashed and it can seem hard to pray. The Psalmist David said,

"Why are you cast down, O my soul? And why are you disquieted within me? Hope in God; For I shall yet praise Him, The help of my countenance and my God" (Psalm 43

As Dr. Martin Luther King shared his prayer and dream and, for many years led the campaign for civil rights, for racial equality and justice, resulting in major changes for African-American citizens, **let us keep breathing our prayers** to the Lord, so that this loud, worldwide cry for radical change may be properly heard in the ears of those in high places throughout the world, by those who have the power to activate change.

This cry for change is also happening here in the UK, for racial justice and equality. **Let us not stay silent to God**. Let us keep breathing our prayers to our Father in heaven, that the evils of racial attacks, injustice and discrimination against black citizens may cease, so that ALL human beings of ALL races, can experience equality of opportunity, have a chance to "BREATHE" freedom and live without fear because of skin colour. I believe this is a basic right that should never be denied. We know, of course, that perfect love is only possible through our Lord Jesus Christ Jesus – He is our hope! Blessings and love to all.

## **Spiritual Warfare!** *Are You Saved?*

#### **By Michele Barnes**

I am still in shock after you, me, and the world witnessed the evil act of a knee being placed on the neck of George Floyd. I heard his cries of not being able to breathe .... until his last breath. It was a horrific murder to witness! **God saw** what happened too!

Through much prayer and meditation, I feel that God allowed this to happen as God allowed Jesus to die on the cross! How horrific that day was too! And some still don't believe that day happened. As Christians, we are all God's children! George Floyd was a child of God too!

Was this a time that we had to witness how evil... someone can be? It's time for change! Repent and invite Christ into your life. Now, right now is the time! For God is revealing the hearts and crimes of the devil/evildoers! They will no longer get away with such bold evilness! Beyond racists, the evil devil is trying to create fear and harden the hearts of us all.

## "Fret not thyself because of evildoers, neither be thou envious against the workers of iniquity. For they shall soon be cut down like the grass, and wither as the green herb" Psalms 37:1, 2.

Love is- a powerful force and choice that we all must be free to give. Is God's effort to expose to the world the minds of a wicked and evildoer existing today? However, a white police officer this time, but there are others who are racists and non-racist but also doers of the devil's work. It might be your doctor, dentist, lawyer, a business owner, neighbor, salesman or saleswoman, soldier, democrat politician, republican politician, teacher, or even a member of your family. The list can go on, but their efforts to plant fear and destroy hope MUST stop!

Every mother in America and around the world heard the cries of George Floyd as he cried out for his mother. Only God can help us heal! A miracle is in need and only God can supply it!

Bowed on my knees, I pray the "prayer of most mothers!" It is a prayer for God to bless and keep my children and family from all harm. I am so blessed to have all my black children and grandchildren alive! I am blessed that they know the importance of praying and believing in God. In efforts to talk and give voice to their feelings, I asked for their permission to share their comments with you. As grandma, I made sure to ask... (Smile).

#### My grandson Kyvonte-twenty-years- old said:

"I feel sadden and annoyed by some of the country's response to our protest. Instead of focusing at hand on police brutality and systematic racism, they wanna divide us and claim all the protestors are rioters."

#### My granddaughter Toree twenty-two-years old said:

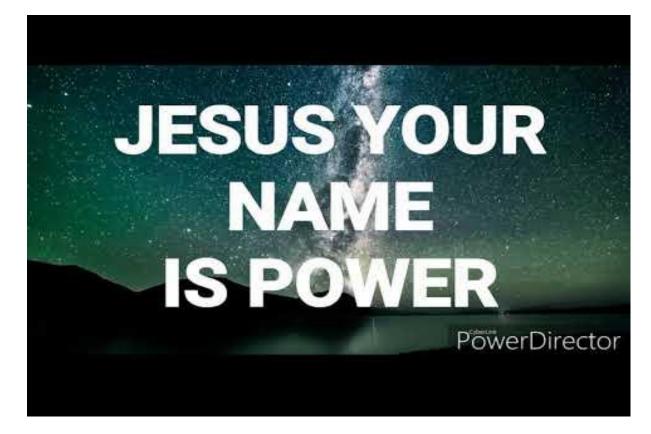

"I have had so many emotions these past few days: anger, frustration, and sadness. Just to say a few! I am extremely tired of this Un-justice system. I am sad that racism is still alive and prevalent after all that black people have gone through. The thing that gives me hope is seeing black and non-black allies coming together to have conversations and to bring about change." For my grandchildren, and yours, we must be reminders of Romans 14:11 -

## *"For it is written: "As I live, says the Lord, every knee shall bow to me, and every tongue shall confess to God."*

The attacks of Covid-19 virus give little chance to gather in marches and protests without harming ourselves, our children, and grandchildren. They must be reminded that God is a miracle-maker, if we submit to His will! One of God's many promises is, **"Vengeance is mine; I will repay, saith the Lord!** 

Repent! Confess your sins and give your life to Christ. Only God can save us! Spiritual warfare has begun! Put on your Armor of God! Wait for the Lord! Read Psalm 27:14.

Then I heard another voice from heaven say: "Come out of her, My people, so that you will not share in her sins, so that you will not receive any of her plagues; for her sins are piled up to heaven, and God has remembered her crimes" Revelation 18:4-5.

Readers,

One of my dedicated staff writers, Doris Homan, was greatly disturbed and concerned to see the photos I planned to use in this newsletter. She immediately sent me an email stating that it is important to show police officers who are supportive and caring. Doris sent these photos showing a sensitive side of some police.

I have seen these photos in the News and media, too. We must see MORE actions like this. Things are going to change because....THEY MUST!
